The Board of Education, constantly aware of the problems facing our school system, works tirelessly to improve institutions and programs of learning for our community's youth. These members contribute to the smooth running Fairlawn School system. Constant improvement of the school system is their goal which guides the policies formulated by them.

The students and faculty of F.H.S. appreciate their interest, time, and service for our school.

SALUTE TO MR. WERT

To Mr. Wert,

. . . This is offered as a sincere expression of gratitude to you. We wish to express our thanks for the many things you have done for us.

We came to you as little people and now we leave to enter an adult world. You guided us throughout twelve years. . .the years that will be the most important in our lives.

We have tried earnestly to fulfill your high hopes and only regret we didn't try just a little harder. You, Mr. Wert, have stressed the importance of education in one's life. We have benefited from your sagacious talks, and know that we will profit from them in later life.

Again, we thank you.

44. Ruthild Doring--Hi, United States

THE HISTORY OF THE CLASS OF 1965

In September, 1953, twenty-seven wide-eyed little boys and girls entered the Fairlawn Elementary building at Plattsville. They were: Maureen Ailes, Jennifer Watkins, Linda Knasel, Barba Harrod, Larry Hawes, Chuck Redinbo, Brenda Bertsch, Linda Hinkle, George Metz, Carolyn Brenner, Sherry Snavley, Irma Watkins, Steve Bartel, Judy Hageman, Ruthann Middleton, Tom Kinninger, Mike Elliott, Scott Piper, Beverly Shatto, Eugene Snavley, Paul Hetzler, Sandy Queen, Joe Sargeant, Larry Worthington, Chuck Applegate, Regina Schaffner, Sonja Middleton, and Sarah Fair. We were privileged to be the first class of Fairlawn to be united in the first grade under the guidance of Mrs. Oman, our teacher.

Finally we made it to the second grade where we were met with two new faces, Rick Carey and Larry Shoffner. Our teachers were Miss Spicer and Mrs. Theurer.

The third grade was again split and our teachere were Mrs. Wert and Mrs. Heck. The class was increased with Dan Borland, Phyllis Hensley, and Steve Long, but was soon decreased by Steve Long leaving us in the same year.

The next year we were very happy to enter the fourth grade. Our teachers were Mrs. Howard and Mrs. Theurer. Rodney Turner and Jim Bray joined us in that year.

Rick Carey and Sandy Queen left us in our fifth year leaving us behind with our two teachers, Mrs. May and Mrs. King.

In the sixth grade we were finally reunited again and our teacher was Mr. Harding. We gained Sandy Queen back again this year.

We finally made it to the brand new high school.....the seventh grade. We thought we were really growing up! Sherley Pennington, Jerry Langenkamp, Lawrence Pence, and Rick Carey joined us and our teacher, Mrs. Davidson.

Up to the 8th grade we went with Mrs. Anderson and Mr. McRill guiding us all the way. This is the year that was really big for us because we won the County Jr. High basketball tournament.

Before we knew it we were Freshmen and were blessed with John Sarver. Under the supervision of Mrs. Clevenger and Mr. Olson we had the biggest dance ever held at Fairlawn High School

As we ascended to the Sophomore year we were happy to receive Mike Jones and Linda Wolfe. Our teachers were Mr. Caudill and Mrs. Clevenger.

Now we've made it to the year we've been looking forward to.....the year of our Junior Prom. In that same year we set the world's record for having the greatest Hootenanny. We gained Terre Foster and again Steve Long. Our patient supervisors were Mrs. Nelson and Mr. Crowley.

At last we made it.....SENIORS!!! Our supervisors were Mr. Riley and Mr. Lowry and we gained Bill Harelson and Ruthild Doring. The plays, basketball, baseball, and track games, parties, proms, dances, and all the fun we've had in the halls of Fairlawn High School has now ended. And now we are prepared to go out into life with a "promise to fulfill."
